

Housing economics and planning: *Local responses to the need for affordable housing*

18 November 2010, 10am – 12:30pm

Join us for a workshop to discuss strategies for the successful delivery of affordable housing. We'll explore planning tools designed to deliver a vibrant, diverse and affordable housing market. This will be an interactive workshop, designed to draw out specific issues of interest to participants and generate ideas about responding to the housing needs of today's households, planning for the housing needs of the future and supporting local communities and businesses.

Claisebrook Lotteries House, 33 Moore Street, East Perth
