

Social Housing Cartoon Resource Kit

Introduction

The Social Housing Cartoon Resource Kit has been developed to provide a fun and practical resource for use by non profit organisations with a commitment to the development of affordable housing provision.

The Cartoons have been created through a series of workshops facilitated by skilled cartoonist Rona Chadwick. The Cartoon Resource Kit will continue to grow as cartoons are developed by a group of newly skilled cartoonists.

The cartoons can be used in newsletters, flyers and other publications. A selection of postcards featuring the cartoons will also be available from Shelter WA.

In the Cartoon Resource Kit you will find the following:

- *Introduction (green)*
- *"How to use the cartoons" information sheet (orange)*
- *The Cartoon Series (white).*

The Cartoon Resource Kit is also available on disk. If you would like a copy of the Resource Kit on Disk please contact Shelter WA.

The Project was made possible with funding from Arts WA in conjunction with the Lotteries Commission and through the Community Arts Network.
