

**FINANCIAL COUNSELLORS' ASSOCIATION
OF WESTERN AUSTRALIA**

Are you behind in your rent? Do you need help paying your bills? A Financial Counsellor can help

How can a Financial
Counsellor help?

Financial Counsellors provide a free, confidential and non-judgmental service. We provide information and support for anyone in financial hardship in WA.

We can help you to keep your home and manage your payments. We do this by speaking to your bank and utility services, such as gas and electricity providers. We can also speak to your landlord or property manager on your behalf.

Where can I find
more information?

To find a financial counsellor near you, call the National Debt Helpline on 1800 007 007 or visit www.financialcounsellors.org.
